

FORECAST PRICE

The Fiji Sugar Corporation Limited hereby announces a **FORECAST PRICE** of **\$45.67** per tonne of cane for the 2010 season.

The first payment for cane will therefore be \$27.40 per tonne cane, being 60% of the forecast price, under the provisions of Regulation 19.2 (i) of the Master Award.

The Corporation estimates that the **LIKELY PRICE** for 2010 season would be \$53.73 per tonne cane. This price has been discounted by 15% to arrive at the forecast price to allow for possible adverse fluctuations in the key variables, as required under Regulation 19.1 (ii) of the Master Award.
